

Dr. RODICA CRUDU

Dean of the Faculty of International Economic Relations

Associate professor, Jean Monnet Professor, Fulbright Alumni

Office hours: Monday, Thursday – 1.30pm - 2.30pm and by appointment (room 713, building B)

Courses: Economic Integration and European Economy; Techniques of Foreign Trade; EU Institutions and Policies; EU Economy; Risks in International Economic Affairs

Dr. Rodica Crudu joined the department of International Economic Relations (REI) (currently the department of International Business) on September 1, 2004. She has 14 years of teaching experience, characterized by innovative teaching and learning methods that put a strong emphasis on the use of modern ICT and on students' team work. She has delivered proof of great dynamism in the promoting teaching excellence in the field of European Studies and great involvement in dissemination knowledge on European Integration and effects of Moldova's European integration (by organizing several events on these topics).

In the period of August 2017- January 2018, Dr. Rodica Crudu has successfully accomplished the Fulbright Faculty Development Fellowship at the American University from Washington DC, USA. She has undertaken several internships and study visits in different Universities from Lithuania (2015, 2018), Romania (2006, 2016, 2018), Ukraine (2015), UK (2016, 2017, 2018), Slovenia (2017), Belarus (2016), Poland (2005), Germany (2016) etc.

She has experience in curriculum development and accreditation of study programs, in 2018 being awarded by the National Agency for Quality Assurance in Education and Research the "Quality Cristal Award" for outstanding performance in evaluating educational programs and promoting quality in education in Moldova. She also works as independent evaluator of research and innovation projects within the National Agency for Research and Development and Expert Panel of the AXIS (Assessment of Cross (X) - sectoral climate Impacts and pathways for Sustainable Transformation) - a European Joint Call for Transnational Collaborative Research Projects. Also, she worked as facilitator within two regional World Trade Organization courses (Chisinau (2016), Vienna (2018))

Dr. CRUDU has experience in coordination and participation within EU projects within the following programmes: TEMPUS, Erasmus Mundus, Jean Monnet, CBC projects. Also, has participated as main researcher in 2 research projects financed by the Academy of Sciences of Moldova.
